COSMO

ACCELERATE YOUR PROFITS.

This bus is designed with a single minded focus: to help you save money and generate more revenue. And it achieves this in not one but many different ways.

- CRDe engine for better pick-up
- Unmatched fuel average
- Low cost of maintenance
- Easily available spare parts

STYLE THAT HAS SOLID PRESENCE.

The Cosmo is designed to let you travel in style. The impressive exteriors of the bus give it a great presence. While the appealing interiors make every journey a pleasant experience.

- Eye-catching curved body
- Captivating front & rear fascia
- Roomy, strikingly admirable interiors

COMFORT YOUR CUSTOMERS WILL LOOK FORWARD TO.

The Cosmo is a delight for passengers and a pleasure for the driver as well. It has several thoughtful comforts and conveniences to keep everyone happy.

- Specially optimized suspension
- 4-way adjustable driver seat
- Rear dickey for extra storage
- Ergonomically designed seats for maximum comfort
- Quarter window to keep the driver's cabin ventilated
- Spacious passenger compartment with large windows
- Grab handles and additional foot steps for driver's convenience
- Bottle holder and pull type sun visor
- Power steering on 32 & 40 seaters

Windshield designed for better visibility

4-way adjustable driver seat

Ample storage space

State-of-the-art dashboard design

Quarter window

Comfortable seating for passengers

SAFETY THAT INSPIRES TRUST.

This bus is built really tough. That itself makes it safe. However, it has many other features that will make passengers feel secure on every journey.

- Strong tubular structure
- Full length first foot step
- Anti-skid vinyl flooring with silicon carbide particles
- Air brakes on T32/40
- Peep windows on both sides
- Metallic front and rear fascia
- Two emergency exits
- Bigger windshield
- Padded hat rack

Peep window

BUILT TO GO ON AND ON AND ON.

The Cosmo is made to withstand every test of time and use. Which means once you buy it, you can rest assured of sterling performance for years to come.

- Sturdy aggregates and high strength steel
- Superior axle material offers great durability and load carrying capacity
- 20% thicker chassis
- Tubular body structure for extra long life
